Just buy one!
The children are always can't help themselves when seeing bubbles

There are many little fish, would you like to see them?

Baby, there is something to eat.

I want more!

What? I haven't had time to put the butter, why you eat them all?

Well...Is it need to put the butter?

I've never had such delicious cake, I just can't help to....

I give in to you.

The dream of your mum is to open a cake shop

Her dream is our dream, do you understand?

The cake is so delicious.. Well...

You don't understand that's all right. You are responsible for pressing her cake. I'm responsible for supporting her dream.

My Daily Life with My Family

Well....

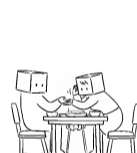

What's wrong?

Recently, our comics are favorited by more people.
And we get a lot of help.

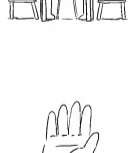

But I feel a little upset,
I wonder that the luck we accumulated before has been used up.

Take it!

Now my lucky is yours.
